

## Lab 6 – Spring

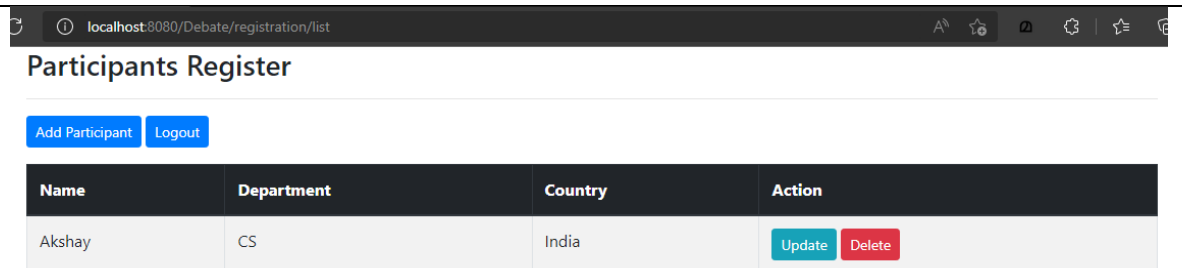

Properties	
DBMS configured	MySQL
MySQL port	3306
Username	root
Password	Shain@123
Database name	Coll_Fest_Debate
Application port	8080
Context-path	/Debate

### Initial Screen:

Provide username and password, click 'Sign in'

### Home Screen:

After successful login, all users will come to the 'Participants Register' page.

### Adding Participants: (Privilege – ADMIN & USER)

localhost:8080/Debate/registration/addNewParticipant

## Participant Management

### Enter Participant

[Back to Participants List](#)

Provide details and click on 'Save' button, which will save participant and come to home screen

### Home Screen:

localhost:8080/Debate/registration/list

## Participants Register

Name	Department	Country	Action
Akshay	CS	India	<input type="button" value="Update"/> <input type="button" value="Delete"/>
Hari Kumar	Commerce	India	<input type="button" value="Update"/> <input type="button" value="Delete"/>

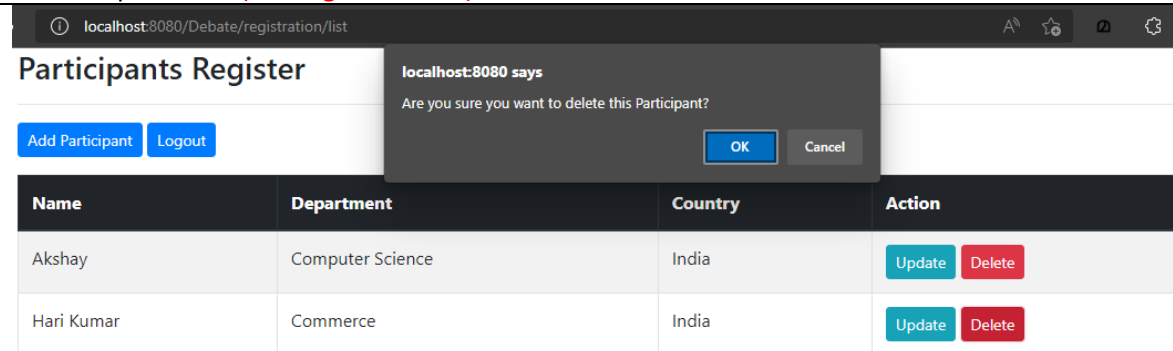

Click on 'Update' button to modify participant data

### Update Operation: (Privilege – ADMIN)

Updating	Result						
<p>localhost:8080/Debate/registration/updateParticipant?pa</p> <h2>Participant Management</h2> <h3>Enter Participant</h3> <p><input type="text" value="Akshay"/></p> <p><input type="text" value="Computer Science"/></p> <p><input type="text" value="India"/></p> <p><input type="button" value="Save"/></p> <p><a href="#">Back to Participants List</a></p>	<p>localhost:8080/Debate/registration/list</p> <h2>Participants Register</h2> <p><input type="button" value="Add Participant"/> <input type="button" value="Logout"/></p> <table><thead><tr><th>Name</th><th>Department</th></tr></thead><tbody><tr><td>Akshay</td><td>Computer Science</td></tr><tr><td>Hari Kumar</td><td>Commerce</td></tr></tbody></table>	Name	Department	Akshay	Computer Science	Hari Kumar	Commerce
Name	Department						
Akshay	Computer Science						
Hari Kumar	Commerce						

Edit all data in update screen and click 'Save'

### Delete Operation: (Privilege – ADMIN)

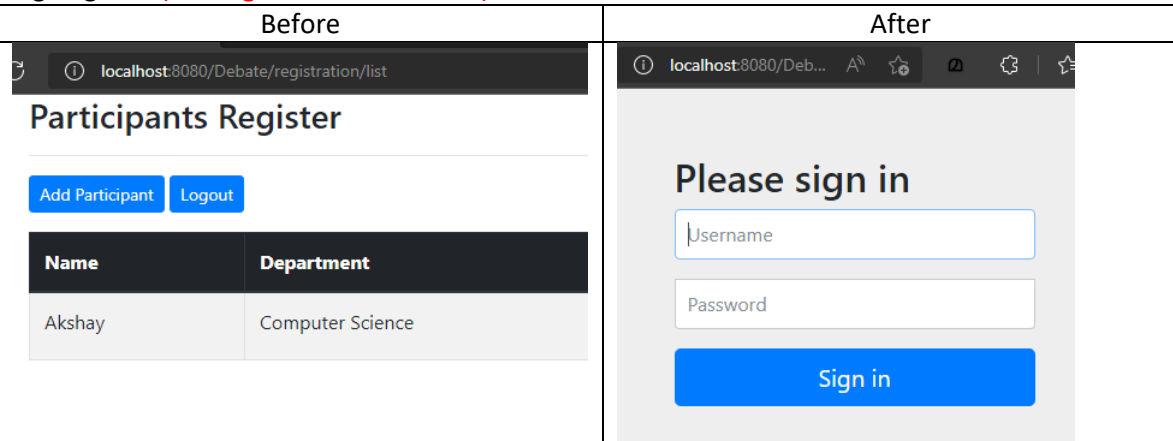

The screenshot shows a web browser at localhost:8080/Debate/registration/list. The page title is "Participants Register". There are "Add Participant" and "Logout" buttons. A modal dialog is open with the text "localhost:8080 says" and "Are you sure you want to delete this Participant?". The dialog has "OK" and "Cancel" buttons. Below the dialog is a table with columns: Name, Department, Country, and Action.

Name	Department	Country	Action
Akshay	Computer Science	India	<button>Update</button> <button>Delete</button>
Hari Kumar	Commerce	India	<button>Update</button> <button>Delete</button>

Click on 'Delete' button to remove participant. Once delete button is clicked, it will take a confirmation and if 'OK' is clicked, that participant will be removed.

### Signing out: (Privilege – ADMIN & USER)

The screenshot is split into two panels: "Before" and "After".

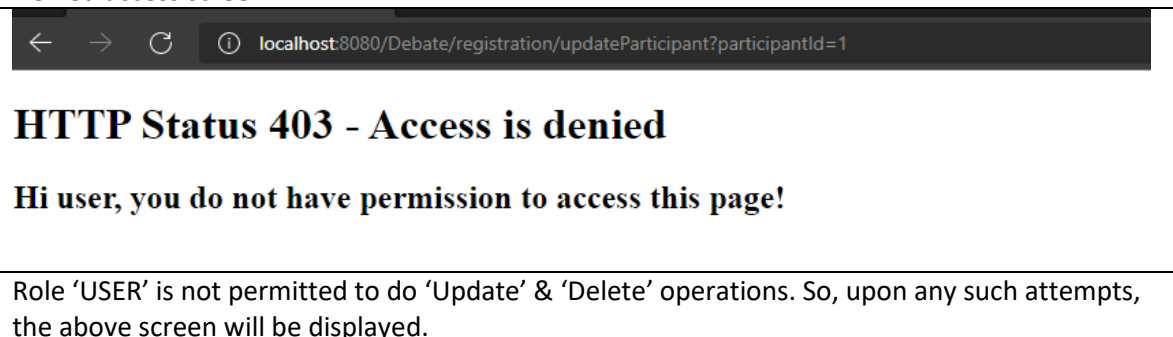

**Before:** Shows the "Participants Register" page with the "Add Participant" and "Logout" buttons. The table below has columns "Name" and "Department".

Name	Department
Akshay	Computer Science

**After:** Shows a "Please sign in" screen with input fields for "Username" and "Password", and a "Sign in" button.

Click on 'Logout' button for signing out. Once signed out, it will take back to the login screen.

### Denied access screen:

The screenshot shows a web browser at localhost:8080/Debate/registration/updateParticipant?participantId=1. The page displays the following text:

## HTTP Status 403 - Access is denied

**Hi user, you do not have permission to access this page!**

Role 'USER' is not permitted to do 'Update' & 'Delete' operations. So, upon any such attempts, the above screen will be displayed.

Thank you.

J. Shain.
